

Our Top 10 cool spots in Phoenix

We put together a list of our best Phoenix recommendations for our residents

1 Tempe Town Lake Beach & Park

A popular place to hit the lake, paddle board, or rent duffy boats and cruise the lake. Catch a local volleyball game or walk along the water and enjoy the incredible views.

Desert Botanical Gardens **2**

Located at Papago Park, this oasis in the desert has breathtaking scenery of natural desert landscape. With the right timing it is the perfect spot to catch a gorgeous desert sunset.

3 Piestewa Peak Summit Trail

A challenging 2 mile hike with rewarding views where you can actually spot the Maxwell! Along the trail Arizona wild flowers can be seen. Take water on this hike!

First Fridays Art Walk **4**

Every 1st Friday you can find local artists, vendors, and food trucks showing their latest work. Located in the heart of downtown this is a free event and easily walkable to enjoy.

5 Turf Paradise Horse Track

Bring your cash and place your bets! Turf Paradise horse track boasts exciting live thoroughbred horse racing located in the Northern central area of Phoenix.

The Heard Museum **6**

Dedicated to the advancement of Native American artists, The Heard Museum is a staple for Southwest culture and art. First Fridays are free entry from 6pm to 10pm.

7 Phoenix Art Museum

Operating for over 60 years, the Phoenix Art Museum is the Southwest's largest collection of visual arts and educational programs. Take in some culture and check out one of Phoenix's best museums.

Taliesin West **8**

Frank Lloyd's beloved winter retreat located in West Phoenix. Preserved to inspire through architecture and design. Be sure to book a tour and have a reservation. Spots fill up quickly!

9 Tovrea Castle

Known as the "Jewel in the Desert," The Tovrea Castle was built in the early 1920's and sits perched atop the highest point of the property. The castle has an incredible cactus garden from the Sonoran desert.

Japanese Friendship Garden **10**

A traditional strolling garden complete with an actual tea garden and tea house. A tranquil place to meditate, relax, and appreciate a Japanese work of art with a friend or solo!
